TAYBER
TAPIZADOS CONVERTIBLES

TAYBER, fabricando el descanso para ti desde 1996

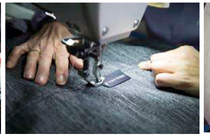
Tayber Tapizados Convertibles se fundó en el año 1996 en Yecla (Murcia) por Juanjo Martínez, que acompañado por su joven equipo ha hecho que a día de hoy sea una de las empresas pioneras en el sector del mueble tapizado y convertibles.

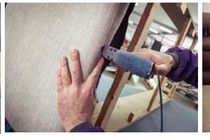
Con unas instalaciones de más de 5.500 m2, un equipo de profesionales que cuidan hasta el más mí nimo detalle haciendo uso de su experiencia y de la tecnología más avanzada.

Tayber, making rest for you since 1996

Tayber Tapizados Convertibles was founded in 1996 in Yecla, Murcia by Juanjo Martinez who, accompanied by his young team, has made it one of the pioneer companies in the upholstered furniture sector.

With facilities of more than 5,500 m2, a team of professionals who take care of even the smallest details using their experience and the most advanced technology.

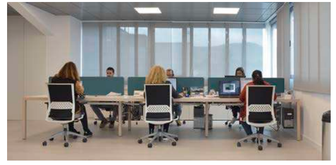




TAYBER
TAPIZADOS CONVERTIBLES

Más de 20 años de experiencia en el sector del mueble tapizado

More than 20 years of experience in the upholstered furniture sector



Atención contínua al Cliente

Nuestro departamento de atención al cliente se encarga de solucionar todas sus dudas, incluyendo el servicio postventa.
Es muy importante la satisfacción de nuestro cliente para asegurar la continuidad y confianza con este.

Continuous Customer Service

Our customer service department is responsible for solving all your doubts including the after-sales service.
It is very important the satisfaction of our client to ensure continuity and confidence with this.

Infraestructura optimizada

Tayber cuenta con secciones especializadas, optimizando cada fase de los distintos procesos de fabricación. Desde el diseño, preparado de armazones, sección de corte, confección, tapizado, montaje y embalaje.

Optimized infrastructure

Tayber has specialized sections, optimizing each phase of the different manufacturing processes. From the design, prepared frames, cutting section, sewing department, upholstery, assembly and packaging.

Departamento de diseño

Departamento de diseño especializado en el desarrollo de mueble tapizado, donde se genera y gestiona toda la documentación necesaria para la realización de los primeros prototipos siguiendo una metodología de trabajo marcada por las normas de calidad de la ISO 9001.

Design department

Design department specializing in the development of upholstered furniture, where all the necessary documentation for the realization of the first prototypes is generated and managed following a work methodology marked by the quality standards of ISO 9001.

Tecnología de vanguardia

Todos nuestros procesos de fabricación van controlados en todas las fases por el sistema de RFID (sistema de identificación por radiofrecuencia). Contamos con máquinas de corte de última generación.

Cutting-edge

All our manufacturing processes are controlled in all phases by the RFID system (radio frequency identification system). We have cutting-edge cutting machines.
